

Candidate Name : **Mashhood Ul Ghani Siddiqui**

Job Title: Senior Manager – Electrical

About me: Electrical engineer by profession. Married with four kids, currently living in Frisco, TX .

My strengths: A good listener, and a team player.

Experience: I have been part of the Shura/Committee member with numerous masajids in North America for the last 20 years.

My Vision: To build a masjid and a community based on the principles and the teachings of our beloved prophet Muhammad S.A.W. Engage youth with more meaningful programs related to the contemporary issues in the light of Quran and Sunnah.

Prompt Action Plan: Continue and further streamline the ongoing programs and activities at ICQC.

Delayed Action Plan: One of the key task at hand is the completion of the new masjid. My plan is to be part of the masjid construction committee where I can help them with my construction background experience, and at the same time provide transparent and regular updates to the community.

Why should you choose me as your Shura Member? I have been a part of the ICQC community for the last 4+ years, and I am quite familiar with the objectives and the vision of ICQC. I would love to give back and serve the community as a shura member.
